

NEW CONSTRUCTION - PRIME

PD12WW PATIO DOOR

PD1201 FRAME HEAD AND JAMB

PD12 New Construction - Prime

The American Window Systems™ PD12Patio Door combines all of the features that you want in a door. It provides ease of operation and excellent performance.

Its welded sash and frame gives a generous expanse of glass for a greater viewing area and increased structural integrity. For enhanced energy efficiency, it has heavy-duty weather stripping around a deep pocket interlock and on the full perimeter of the door. The doors come in your choice of white, almond and clay solid vinyl, with high quality, attractive handles.
